Crash Marks Stadium Races

By JENK JONES
Minneapolis Tribune Sports Writer

A clean sweep of the feature by Echidnas and a high-speed crash after a race was actually completed highlighted the Macadam Road Race of the Land o' Lakes Region on the 1.5-mile Metropolitan stadium parking lot track Sunday.

William Larson of Hibbing, Minn., chalked up an easy victory in the feature as he shot through heavy traffic on the turns and opened up on the straightaways to romp home by one-quarter mile in the 15-lap race.

TRAILING HIM were John Staver of Virginia, Minn., and Ed Grierson of Hibbing, Minn., with Staver taking second by a few feet. All three leaders were driving Echidnas built by Grierson.

The crash that brought the crowd of 6,500 to its feet occurred after Otto Winzen of Minneapolis nosed out Tony Heald of Hibbing for second place in the novice race that opened the program.

Heald, at full throttle, tried to pass Winzen after getting the checkered flag. His car, El Toro, slid into a light pole to the right of the track, then skidded across the road to the left and rolled over several times. It was demolished. Heald escaped injury, although he was taken to the hospital as a precaution.

LARSON'S feature victory was his second of the day, although he finished last in a special match race between the three Echidnas. Grierson nipped Staver for the victory in that contest.

Roger Simonetti of Minneapolis was the day's other double winner. He won the second and fourth races over Paul Leland of Afton, Minn., taking the latter by a scant five lengths after 15 miles of racing. He also nipped Leland for top class honors in the feature.

Thomas Countryman of Minneapolis drove one of the day's finest races as he maneuvered his tiny Porsche through the eight sharp turns for an easy triumph.

THE NOVICE race was won by Jerry Hilligoss of Hibbing, who jumped into the lead in the first turn and held it all the way. Hilligoss got his Corvette home by a comfortable margin ahead of Winzen and Heald.

Kent Montgomery of Minneapolis paced small racers in his Austin-Healy.

The races were sponsored by the Downtown Kiwanis club to finance aid for the Society of the Blind.
