Under the provisions of the Oldsmobile New Vehicle Warranty, a record of the required maintenance services must be validated by an authorized Oldsmobile Dealer six (6) months after the original delivery date and at least every six (6) months thereafter during the warranty period. Dealer will furnish a report of such validation to Oldsmobile Division.

IMPORTANT: Keep this booklet in the glove compartment

OLDSMOBILE PROTECT-O-PLATE

The embossed Protect-O-Plate attached to this page covers vehicle data pertinent to your car and is an important part of the Owner Protection Plan. It is also important that your Dealer enter the "Selling Date" information in the space provided below.

The Owner Protection Plan booklet with the Protect-O-Plate attached must be readily available whenever warranty service is performed by an authorized Oldsmobile Dealer and for validation of "Required Maintenance Services".

If your Owner Protection Plan booklet or Protect-O-Plate is lost, advise your Oldsmobile Dealer who will obtain the necessary replacements.
