- Warranty Service—Foreign Countries—The Chevrolet New Vehicle Warranty stated in this folder also applies to your Vehicle if you are touring in a foreign country and the Vehicle is registered and normally operated in the United States or Canada. Where authorized General Motors Dealer service is not available in the country in which you will be touring and warranty repairs become necessary, you should obtain paid receipts covering the work from the service station or garage that performed the necessary repairs. Upon your return to the United States, a statement of the circumstances relative to the warranty work performed, along with the paid receipts, should be given to your Chevrolet Dealer for review and reimbursement consideration.
- Demonstrators and Company Vehicles On a Chevrolet Dealer or General Motors owned demonstrator or company Vehicle, the Warranty time and mileage limitations are calculated from the date the Vehicle is first placed in service by the Dealer or General Motors. (continued on next page)
