Decoded by:

Galen V. Govier
37260 Sand Burr Lane
Prairie du Chien, WI 53821-8869

Note: A decoding of a fender tag or broadcast sheet by GTS/Galen Govier does not automatically mean that it is an all numbers matching vehicle. For that reason, unless this decoding is in addition to an Appraisal, Visual Inspection or Validation I will not guarantee it has all the factory installed equipment on the vehicle.
