 between NORMAN F. LONG
 of Sandpoint, County of Bonner, State of Idaho
 as Mortgagors, and BANK OF IDAHO
 a corporation, of Sandpoint, Idaho
 Mortgagee, WITNESSETH:

That the Mortgagor, for and in consideration of the sums secured hereby, does hereby grant, bargain, sell, assign, transfer and convey unto said Mortgagee, the following property complete with standard attachment and equipment now owned by and in possession of said mortgagor and now located in Bonner county, state aforesaid, to-wit:

New or Used	Year Model	Make Trade Name	No. of Cyl.	Equipment Standard, Sport, De Luxe, etc.	Type of Body If Truck Give Tonnage	Model Letter or Number	Manufacturer's Serial No.	Motor No.
New	1969	Dodge	8	2 dr. HT			WM23-M9A-284,083	

Together with any and all tires and other equipment of every kind whatsoever placed upon said property by way of substitution, replacement or otherwise, during the life of this mortgage.

TO HAVE AND TO HOLD Said chattels and all of the same unto the said mortgagee, its successors and assigns, forever.

PROVIDED, NEVERTHELESS, This is a chattel mortgage given to secure the payment of the following:

1. To secure payment of the principal sum of Two Thousand Three Hundred Seventy-Two and 88/100 DOLLARS (\$ 2,372.88) according to the terms of a promissory note executed and delivered by the mortgagor, of even date herewith, payable to the order of the mortgagee as follows:
24 equal and consecutive monthly installments of \$98.87; payments commencing on the
22nd day of July and continuing each and every month X until paid in full.

2. To secure payment of any and all extensions or renewals thereof, or of the indebtedness represented by the same.

3. To secure payment of all such further sums as may hereafter be due from the mortgagor for any purpose whatsoever, this mortgage being intended as a continuing security for the payment of any floating balance of indebtedness of every name and nature now incurred or to be hereafter incurred and for all moneys which are now due or may hereafter become due from the mortgagor to the mortgagee during the existence of this mortgage.

All of which sums the mortgagor agrees to pay on demand when not otherwise agreed and if the said mortgagor shall well and truly pay each and all of the sums of indebtedness herein specified with interest in accordance with the terms hereof, then these presents shall be void, otherwise to remain in full force and virtue.

The mortgagor does hereby further covenant and agree to and with said mortgagee to keep said property insured against loss by fire, theft, collision, and by such other insurance in such form and amounts as the mortgagee may require. Loss thereon shall be payable to mortgagor and mortgagee as their interests may appear. Mortgagor hereby authorizes mortgagee to pay the premiums for such insurance, adding the same to the deferred principal balance then due hereunder and the policies therefor shall be held by the mortgagee until the release of this mortgage.

Mortgagor further covenants and agrees to keep and maintain said mortgaged property in good condition and repair, reasonable wear and tear thereof excepted; to house and protect the same against the elements, not to take the same out of the state aforesaid, nor permit the same to be removed from his possession, or permit the same to be attached nor create, nor permit to be created, any lien, encumbrance or adverse claim of any character against the same, for storage, repairs or otherwise; that he will not sell, transfer or assign his right, title or interest in said property; that he will neither use nor permit said property to be used for any unlawful purpose, nor to be used for hire; that he will register, use, operate and control the same in accordance with all statutes, laws, ordinances, and regulations relating to the registration, use, operation and control of motor vehicles.

It is further understood and agreed that the mortgagee may at all times enter upon the premises where any of said property may be to view the property hereby mortgaged and take any measures necessary for the protection of said property.

It is covenanted and agreed by the mortgagor that he is the sole and lawful owner of the property herein described, and has and is entitled to the exclusive possession thereof; that the same is free of all encumbrances and the mortgagor has full power and authority to convey and mortgage the same and that the mortgagor will warrant and defend the same against the lawful claims and demands of all persons whatsoever; that he will, before maturity, pay off and discharge all taxes, liens, or other charges or encumbrances of every kind however incurred on said property, and in default thereof the same may at mortgagee's option, be paid by the mortgagee and the amount so paid added to the indebtedness secured hereby, but no such payment shall be a waiver of the mortgagor's default therein.

Should the Mortgagee make any advance or advances or spend any money for insurance or for the protection or preservation of said property, or should any collection costs or other obligations arising under this mortgage accrue or be due, such advance or advances together with such collection costs or other obligations arising under this mortgage and unpaid shall be added to the unpaid principal then owing, and shall be secured by this mortgage, and such advance or advances and collection costs shall be paid with the next installment of principal, with interest of the rate of 8% per annum, and the Mortgagee shall have the right upon receipt of any installment or payment secured hereby, to apply the same, first, in satisfaction of any collection costs or other moneys advanced by the Mortgagee hereunder, together with the interest thereon; second, to the satisfaction of any unpaid interest; and third, to principal; and should there be a deficiency in the amount of any installment or payment after the aforesaid applications, such deficiency shall be payable forthwith, and the failure on the part of the Mortgagor to pay or satisfy same shall, at the election of the Mortgagee and without notice, accelerate for immediate payment the entire unpaid balance of said obligations, including all advances made, collection costs and interest accrued, and the Mortgagee may exercise such right or rights as are reserved to the Mortgagee under the terms of this mortgage.

If default be made in the payment of any sum, moneys or indebtedness now or hereafter secured hereby or any part thereof, or the interest thereon, or if the mortgagor defaults in or fails to comply with or perform any of the covenants, conditions or agreements herein mentioned, or contained, or in case any representation herein made by the mortgagor proves false in any respect, or in case of actual or impending bankruptcy or of insolvency of the mortgagor or in case of material depreciation in the value of the property, subject to the lien hereof, or if for any cause the security afforded hereby shall become inadequate, or if at any time the mortgagee shall deem itself insecure for any reason (the mortgagee to be the sole judge thereof) with respect to the payment of the sums secured hereby, or if any of the property subject to the lien hereof is attached, levied upon, or for any reason taken possession of, or detained by any person other than the mortgagor, then and in any of the events aforesaid, the mortgagee shall have the right and power and is hereby authorized, at its option to enter upon the property of the mortgagor or any other place where the property covered hereby is situate, and take possession of and remove the same or any part thereof, with or without legal process, and in addition thereto in all or any of the events aforesaid, whether possession of said property or any part thereof be or be not taken by the mortgagee, the whole of the indebtedness hereby secured shall, at the option of the mortgagee, become immediately due and payable without notice, and the said mortgagee shall in any of the events aforesaid, have the right to proceed to foreclose this mortgage by suit or action, or by notice and sale, as provided by the laws of the state aforesaid, or in any other lawful manner, in any of which foreclosure proceedings the mortgaged property may at the option of the mortgagee be sold as a whole in the event of foreclosure by notice and sale or by suit or action, and the mortgagee may retain from the proceeds of the sale, in addition to all other proper costs, charges and expenses, a reasonable attorney's fee, all of which shall constitute a lien on the property mortgaged. In case the proceeds from any foreclosure sale, judicial or otherwise, fail to satisfy this mortgage, costs and expenses, including a reasonable attorney's fee, and all costs and expenses incurred in taking and retaining possession of said personal property, and in caring for the same pending sale, then said mortgagor agrees to pay any deficiency, said mortgagee may become a purchaser, the same as any other person, at any foreclosure sale hereunder.

The mortgagor agrees to pay all reasonable attorney's fees incurred by the mortgagee in enforcing any of its rights and remedies hereunder.

If this instrument is executed by more than one person as Mortgagor, each and every promise and obligation herein set forth shall be joint and several.

It is agreed that the property hereby mortgaged may remain in the possession of the mortgagor during the continuance of this mortgage or until default be made.

IN WITNESS WHEREOF, Said mortgagor has hereunto set his hand and seal the day and year first above written.

Signed, sealed and delivered in the presence of,
