grahamrahal Reminiscing on this baby. Miss it everyday. My best spec on any car to date. Loved driving this beast, and I don't think I've seen the last of owning it! [#918Spyder](#) [#mybaby](#) [#ViperGreen](#)

grahamrahal Today I officially said goodbye to one of my all time favorites. Sure my 918 has been the best investment I ever made, but the smile it put on my face every time I drove it was priceless. I am positive of one thing, someday we will meet again! Business decisions have come calling, time for the next step in life! #918spyder #Porsche #supercar #GoPro #Rahal #dealerships #bobbyrahalautomotivegroup #Cali
