Subject: Vehicle Appraisal of a 1968 Dodge Charger 2D HT Coupe (Highly Modified: New 6.1L Hemi Motor, New Tremec 5 Spd Manual Transmission, Custom Ceramic Headers, Custom Exhaust, Custom Engine Covers, Custom Wildwood Brake System, Wildwood Disc Brakes All Around, Rack & Pinion Steering, Electric Headlights, Rewired, Aluminum Hinges, Aftermarket AC, Tubular Control Arms & Cross Members, Coil Overs All Around, 4 Link Rear Suspension, New Glass, New Trim, Custom Stereo w/Navigation, Bluetooth, Touch Screen, New Bucket Seats w/Leather & Red Stitching, Dakota Digital Gauges, 17" Rocket Rims & Tires)
VIN: XP29H8B219494

Dear PRK Automotive,

In accordance with your request, I have examined on November 14, 2016, and since researched and appraised the above vehicle for the purpose of determining the actual cash value for insurance value.

It is my opinion the vehicle is in (1.25) "Excellent to Fine" apparent condition and has a current actual cash value of \$120,000.00 (plus tax & license) in the U.S. National Market. The reason a U.S. National Market Value is being quoted is that there have not been enough sales of similar vehicles in the condition that this vehicle is in to establish a local value.

This price is based on the apparent mechanical and physical condition of the interior and exterior of the vehicle and showing an odometer reading of 304 miles on the above date. The price is also based on factors of national and local market information, information that you provided, as well as personal knowledge.

The appraiser subscribed hereunder certifies that she personally examined and has since researched and evaluated to the best of her ability the above described vehicle; that on such date she held no personal financial interest in such vehicle and contemplated none at some date in the future; that neither the employment to conduct the appraisal nor the fee to be received was in any manner dependent on the findings or estimate of value submitted. The statements herein are true and correct to the best knowledge and belief of the undersigned.

APPRAISAL NUMBER 985500

Appraised at 1716 W. Broadway Rd, Mesa, Arizona.
