Fast Cars, Ltd. offers service & restoration for the most unique, complex & expensive automobiles made. The business philosophy of this company is to offer the highest standard of work available without compromise. The guidelines of the State of California, Consumer Protection Act covering automotive repair were drafted to cover main stream automotive repair & do not take into consideration the unique characteristics of the automobiles nor the long term nature of the work performed by this company. Therefore there are unique stipulations imposed by Fast Cars, Ltd.

As the owner or authorized agent of the above referenced automobile, I authorize the repair or restoration work detailed above, along with the necessary parts & materials. I also request the examination of any system that may appear to be deficient.

I acknowledge the unique hand built nature of my automobile & understand that it is impossible for Fast Cars, Ltd. to estimate the exact cost of repairs. Therefore I agree that this estimate is an approximation of charges & is not a binding absolute ceiling to
