Dear Mr. Bishop:

Congratulations on the purchase of the 1968 Plymouth Barracuda previously owned Dave Brewer. As you are aware the car has been awarded a National First Prize in Class 36C at the AACA National meet in New Bern, NC on May 12, 2007.

Your vehicle advances to Senior status and will compete in the Senior category with other Senior vehicles.

The vehicle should display a National First Prize Winners Plaque, engraved with your permanent car number (W19710). Please use this number when registering for future National Meets. It is important that it is attached to a prominent place on the vehicle, so that judges will be able to instantly recognize your vehicle as a National First Prize Winner and know you are competing for a Senior Award.

Congratulations again on the purchase. I hope you continue to bring your vehicle out to many more shows.

Sincerely,

Joe Vicini
