VEHICLE CONDITION SCALE

1. **EXCELLENT:** Restored to current maximum professional standards of quality in every area, or perfect original components operating and appearing as new. A 95-plus point show car that is not driven.
2. **FINE:** Well-restored, or a combination of superior restoration and excellent original. Also an extremely well maintained original showing minimal wear.
3. **VERY GOOD:** Completely operable original or "older restoration" showing wear. Also, a good amateur restoration, all presentable and serviceable inside and out. Plus combinations of well-done restoration and good operable components or partially restored car with all parts necessary to complete and/or valuable N.O.S. Parts.
4. **GOOD:** A driveable vehicle needing no or only minor work to be functional. Also, a deteriorated restoration or a very poor amateur restoration. All components may need restoration to be "excellent", but the car is mostly usable "as is".
5. **RESTORABLE:** Needs complete restoration of body, chassis and interior. May or may not be running, but isn't weathered, wrecked or stripped to the point of being useful only for parts.
6. **PARTS CAR:** May or may not be running, but is weathered, wrecked and/or stripped to the point of being useful primarily for parts.
