Mustang . . . The original low-priced sporty car

Here's everything that made Mustang fabulous . . . everything that made Mustang the most-imitated car in a generation . . . in an all-new Mustang!

This Mustang is longer, lower, and wider. It's roomier inside; roomier in the trunk. Styling is crisply new . . . it's one car you can't mistake for any other.

And this Mustang is still priced down among the lowest, like the original one that started the fun in the first place!

The famous car "designed to be designed by you" now offers you a wider model choice (five in all with Mach I and Grandé) plus engine options from a new 250-cu. in. Six to a 428-cu. in. V-8. All this plus the greatest selection of Better Idea options ever. Here's everything you could ask to design the '69 Mustang of your choice into a family car, luxurious personal car or hot, sporty car. Ford . . . it's the going thing.
